Soldier saves the **soldier portion of the form** on **smart card** using **MPDA**

4 **Soldiers stands in the line** with his/her **smart card** to see the next available Provider

5 PA **loads the soldier form** on smart card to his/her **MPDA**

PA does a **one to one interview** with the soldier on **MPDA**
PA completes the **assessment** and saves the **completed DDFORM2796 on Soldiers Smart Card using MPDA**

6 Soldier takes the smart card and walks to the print station to get a 4 page print out of the completed DDFORM2796.
(**PrintMPDA**)
